Dear Mr. Pilving,

Please accept my sincere gratitude to you and your colleague Mr. Paavo Randma for the sincere words of support expressed in your letter!

Your warm treatment and solidarity are extremely important to me!

I deeply appreciate your unwavering support for my country in these difficult times. An open and meaningful dialogue between our judicial institutions and us is an important component of international legal cooperation. It contributes not only to the strengthening of personal professional contacts, but also to the formation of a common vision of the role of constitutional justice in ensuring the rule of law and the protection of human rights.

I look forward to continuing our fruitful cooperation with you and your colleagues, based on mutual respect, trust and a common desire to uphold justice and the rule of law.

With deep respect to you and your colleagues,
