Hon. Karmen Joller
Minister
Ministry of Social Affairs
Republic of Estonia

Dear Karmen,

On behalf of the people and government of the Republic of China (Taiwan), I would like to express our heartfelt appreciation for your staunch support of Taiwan's participation in the World Health Assembly (WHA). Your remarks during this year's WHA General Discussion was concise and impactful.

The 78th World Health Assembly (WHA) concluded on May 27, and we are delighted to note that international support for Taiwan's bid to participate remains strong and rock-solid. Estonia has once again demonstrated its commitment to our cause, working alongside other like-minded countries and reinforcing this through your remarks at the WHA General Discussion on May 20. We are truly grateful for the consistent and unwavering support extended by the government and parliament of Estonia over the past six years.

Please accept the assurances of my highest consideration, I and wish you and your lovely family a fulfilling Summer Solstice. Happy Jaanipäev!

Sincerely yours,
