Invitation

Dear Brigadier General Oleksandr Serpukhov

I have the pleasure to invite 4 cadets of your institute to take part in the common module **„Infantry Officer Winter Warfare Basic Module“** organized by the Estonian Military Academy (EMA) from 26 January to 2 February 2025.

We invite your cadets (future junior officers) to take this opportunity to share and develop their leadership skills under harsh winter conditions together with the cadets of the EMA and with cadets of basic officer education institutions of other European Union countries as we organise the course under the framework of the European Initiative for the Exchange of Young Military Officers.

Estonian Military Academy provides accommodation and meals and there is also no participation fee. Accommodation will be organized at the EMA dormitory or in tents (during the exercise). Rest assured, that all outdoor activities will be monitored by professional medics. We will also arrange transportation from Tartu/Tallinn/Riga airport to the EMA and back. For more information and updated details regarding the module, please refer to the attached forms.

We kindly ask MIAF delegation to confirm the attendance by filling in the attached application form and sending it to the POC (Mrs Piret Tamm) at piret.tamm2@mil.ee by 4 December 2024 the latest. For any further communication on this matter and especially regarding administrative questions, you are kindly asked to use the same e-mail address.

Looking forward to welcoming your cadets in Estonia!

Best regards

Raul Järviste
