Our Ref: 08.04.2026

No 2-7/26-2751-1

Dear Mr Gonçalo Matias,

Let me express my appreciation for the growing cooperation between our countries. Our collaboration is particularly valuable in the field of digital governance, where both countries share a strong commitment to innovation and effective public administration.

Estonia would be pleased to further deepen this cooperation by sharing our experience and best practices in the digitalisation of the justice system, as well as in areas such as e-elections and the development of a comprehensive e-state. We believe that an exchange of knowledge and best practices in these domains would be mutually beneficial and contribute to advancing our shared objectives.

In this context, we would greatly appreciate the opportunity to welcome you to Estonia for an official visit. Such a visit would provide an excellent platform for meaningful discussions, mutual learning, and the further strengthening of our cooperation.

Should you find this invitation agreeable, my office stands ready to work closely with yours to identify mutually suitable dates and to develop a programme aligned with our shared strategic objectives.

Please accept, Minister, the assurances of my highest consideration.

Yours sincerely,

Liisa-Ly Pakosta
Minister of Justice and Digital Affairs
